Welcome to Notre Dame
We are very excited to have to join us

Now you have accepted your place at Notre Dame you will need to follow the following steps:

Step 1

Cas Number

Ensure that you have given full details (passport, academic certificates and school reports, UKVI IELTS certificate) to a.fenner@notredamecoll.ac.uk to receive your CAS number for your visa, if you require one.

Step 2

Book your accommodation

You will find all details of the available accommodation via this link:

www.notredamecoll.ac.uk/international-students/accommodation-welfare

1) Homestay

Homestay is where you will stay with a family in Leeds. They will offer accommodation and meals and it is a great option for those wishing to immerse themselves in the English language. We recommend this option for students under the age of 18. For homestay, please use our recommended agency. Details as follows:

<https://studylinks.co.uk/homestay>

You will need to fill in the Study Links International (SLI) Homestay application form and payment agreement. Once you have done this, email these to Study Links to arrange your homestay and airport pick up. Read the Study Links International homestay handbook.

Please Note: 16-year-old students and above **do not** need guardianship.

OR

2) Halls of Residence

These are halls where you will be living with other students from all around the UK and the rest of the world. We recommend these for students who want to have a more independent experience.

Choose and book a room in one of the nearby residences:

If under 18

Students aged 16 or above: <https://www.mansionstudent.co.uk/student-accommodation/leeds/>

Students aged 17 or above: <https://campuslivingvillages.com/united-kingdom/leeds/burley-road/>

If over 18
